

WINES OF THE SAN JUAN

Thank you for your interest in the Wine Club. We are very excited to be able to offer this aspect of Wines of the San Juan to you! We have had many inquiries as to whether the club can be given as a gift. Yes it can! Simply fill out the "Billing Information" with your information, and then fill out the "Shipping Information" with the information of the person who will be receiving your deliciously generous gift! They'll be notified when their order is ready!

Here is how the club works:

There are two clubs to choose from, *Sweet* or *Dry*, with three types of shipping options. If you would like, you can sign up for both a *Dry Club* and a *Sweet Club* shipment. You may also pick your wine up instead of having it shipped, but it MUST be picked up within 4 weeks, or it will be shipped and billed accordingly.

The Case Club: 12 bottles of wine twice per year (March & December)

This equals out to having 2 bottles per month to drink.

The ½ Case Club: 6 Bottles of wine every 3 months (March, June, September, December)

This club choice also equals out to giving you 2 bottles to drink per month.

The Quarterly Club: 4 bottles of wine 4 times a year (March, June, September, December)

This choice gives you about 1 bottle a month to drink if you can resist the wait until the next shipment! This Club will receive 16 bottles of wine per year.

Our vintner will be choosing the varietals (wines) for each shipment and shipments will be sent out on the second Monday of the shipment month. Shipping charges will be based on current UPS rates.

Pick Up and Shipping:

If you would like to pick up your bottles at the winery you may; there is a place on the application to indicate this. Wine must be picked up within 30 days of the available date, or you will be billed a \$15 monthly storage fee.. If you live out of the area we are able to ship the wine directly to you. Please keep in mind that anyone signing for the package MUST BE 21 years of age. If you will not be home in time to receive the package, we recommend using a business address as your shipping address (go ahead...make your co-workers jealous!). Otherwise you will need to make other arrangements with UPS to receive your package. You will know when your order is ready when we email you a copy of your receipt. Reminders via email will also be sent. We cannot ship to a P.O. Box.

Shipping charges will be based on current UPS rates. Initial _____
